MOPAK

Mopak olarak 1926 yılından bugüne, kağıda olan tutkumuzla kaliteden ödün vermeden yolumuza devam ediyoruz. Ortadoğu ve Balkanlar'ın en büyük kağıt ve karton üreticisi olarak düzenli inovasyonlarımızla müşterilerimize sunduğumuz ürünleri geliştirmeyi hedefliyoruz. 2020 defter kataloğundaki tüm defterlerimizi; müşterilerimizin, tüketicilerimizin, öğrenci kardeşlerimizin geri bildirimleri ile dünyadaki trend akımlarını dikkate alarak yeniledik. Eğlenceli, modern, sade ve çarpıcı kapaklarımızla, 2020 yılında tüm öğrenci kardeşlerimizin "Mopak Defter" kullanması dileğiyle...

Mopak Ailesi

Mopak Group began paper production 94 years ago and today it is the largest paper and cardboard manufacturer of Middle East and the Balkans and the leading provider of Turkish Paper and Cardboard sector.

The company is the greatest dynamo of the sector with exports to many countries as the architect of the great success achieved by 100% Turkish capital. The annual production, paper processing capacity of MOPAK which makes a name for itself as a global brand with its high growth rate, product variety from 18 grams to 500 grams, exports to 46 countries and the huge integrated facilities in Dalaman, is as follows:

Paper processing volume over 100,000 tons (photocopy paper, school notebook, computer respite forms etc.)

140,000 tons of corrugated paper production capacity

140,000 coated paperboard production capacity

40,000 tons of coated paperboard production capacity

40,000 tons of uncovered 1. pulp paper production capacity

7,500 tons of cellulose production

25,000 tons of cigarette and filter tipping paper production.

In addition, it gradually increases its volume in the production of waste paper with the Deinking and OCC lines.

As well as producing mentioned wide range of paper products; Mopak is a successful player in Stationery market with its sub-brand Masaustu.

Masaustu is a young and dynamic player growing quickly and constantly with its high quality products.
